Not sure what you mean, it's got the general notifications made...if you want every call, to whom and time, that's going to be awhile (just because we've had 10 people calling various points of contact, so there's a lot)...?.

Hi, here is the updated chronology showing timelines (though I'm still trying to verify a few, I put down what we know).

Cynthia is working on Libby's questions and Laura is working on overall, broad story.
Thanks
